## LIQUORS, CIGARS.

**Come to the Fair.**

"Hurrah! for the Fair," the old farmer shouts,
As Dobbin is driven up close to the door,
And pumpkins, &c., are piled in the car,
All gathered with care from the old farmer's store.

Then come to the Fair, let us see what you have,
We've a welcome for all, [illegible] matron and sire,
Bring your horses and daughters, your oxen and sons,
Our motto is "Forward," and forward means higher.

And when to our city, the pride of the West,
And viewing the sights and notions so rare,
You will want a Cigar to give zest to your test,
And add to the interest you feel in the Fair.

It needs but a trial to point out the place,
Our Cigars are selected with excellent care,
Then remember our store with its "native" in front,
And glance at our card when you visit the Fair.

*Thursday Morning, Nov. 13.*

### What we had to do—What we have done!

The Republican party had one work to do which it has not done—the election of JOHN C. FREMONT as President. So much may be said unfortunately for the well-being of the country, as we believe—but not to our shame. We have made a noble battle. Our opponent could not win another such a victory.

There were obstacles in the way, such as have never beset a party before.

Our organization is but two years old at most, and in some states but one year old—while in two at least of the free states no thorough straight Republican organization yet exists. We had to meet an old, compact organization.

We had constantly to contend against old prejudices and old jealousies, arising from the fact that our party, is composed of elements drawn from all parties.

We had to meet the cry of "fusion" and "combination," which trouble some people vastly.

Those who came out from the democratic ranks and allied themselves to us, did so amidst the shouts of "treason" to their old party—as if the party leaders, whose behests they at length refused to obey, owned them, body and soul.

Old Fogyism, which sees nothing good except in the old way, however bad the road may be, lifted up its voice against the young and resolute party, struggling for power that it might do good with it.

We had the army of a hundred thousand office-holders against us, armed with the prestige of power, and the influence of the Administration—the *ins* against us that they might *retain* office, and the expectants against us that they might *get* office.

We had the whole power of the Slave Oligarchy against us from first to last, throughout the contest.

We had the Know-Nothing organization working against us always; and when the more honest portion of the people who had been led into that folly declared their intention to abandon their organization and go with us for Freedom, the very name and accusation of "*fusion*" with them was cunningly and steadily used to our disadvantage, by keeping from us thousands of our adopted citizens who are with us in principle.

We had against us, as a party which acts upon principles of right always will have against it, the hundreds of thousands of unthinking voters—men who are chattels in the hands of the party leaders, and vote just when, and where, and as, and as many times as the wire-pullers command. They are the curse of the country, and nothing but the diffusion among them of intelligence enough to know how to vote, and independence enough to *dare to act like freemen*, can save our country from being ruined by just such men and their managers.

All these obstacles and many more were in our way; and in view of them, it would have been strange if the Republican party had succeeded in its first great trial of strength with its opponents. We are beaten—not conquered.

Our party was organized on a basis of Patriotism, Justice and Freedom. It proposes to follow only where the Fathers of our Country led by their examples and teachings. *It must ultimately prevail.*

It has swept the six New England States—the home of intelligence, virtue, and thrift—like a whirlwind. It has carried the Empire State of New York by an immense majority, crushing out the Slavery Democracy with its avalanche of free votes. Ohio, the third in power of the States, is firmly and reliably with us. Michigan is all over Republican. Our own Wisconsin sends up from all her wide prairies and forests a glad shout of redemption from Sham Democracy. Iowa, on the western border, echoes back the shout. *Here are eleven* true and staunch Republican States.

In Pennsylvania, where there is to-day a majority against the policy of Mr. Buchanan's party, the want of confidence of our friends, preventing them from setting up their independent standard a year ago, and fighting the battle of Freedom on principle, has lost us the State. Fusion has been a curse to the cause in that State. We have had the odium of an alliance with the old "Native" party there, and the men who *affected* to act with us for Freedom have betrayed us.—The great majority of the *honest legal* vote of Illinois is with us, though fraud in Egypt loses Fremont the electoral vote.

We say then that this young Republican party has shown a vigorous growth and gigantic power. It has exhibited in its career hitherto a degree of activity unparalleled in the history of American politics. It is made up of the best elements of American manhood, intelligence and virtue, while it has received the earnest support of, and is glad to number in its ranks, a host of the intelligent people who have come hither from other lands. Where education is most diffused, intelligence most general, there it triumphs. Where free schools are cherished as the glory of the country, Republicanism is victorious; while in the midst of ignorance, and where free schools are denounced as a curse, our opponents triumph. What intelligent man would not rather be beaten with the States which we carry, than be victorious with the States of South Carolina and Virginia?

For such a party as ours—organized on principles the holiest, and exhibiting such strength so early, and composed largely of young, vigorous, determined men, there is no such thing as permanent failure. It *must* prevail—it *must* do its appointed work; for

> Freedom's battle once begun,
> Though baffled oft, is ever won.

### Opening of the Milwaukee & Horicon R. R. to Ripon.

It will be seen by the Company's advertisement that the opening of the Milwaukee and Horicon Railroad to Ripon is to be celebrated with appropriate festivities at Ripon, on Tuesday of next week, and there will be a good time, we doubt not.

Link by link the iron chains are being forged and placed, which bind our city to the thriving towns and fertile farms of the interior, and no richer farming country, or under better cultivation, can be found, than that which this road penetrates at Ripon. The Milwaukee and Horicon R. R. is bound to be one of the best paying roads in the State, or in the country, and every step of its progress is marked with interest by our citizens.

☞ The letters of Volney French, Esq., of Kenosha, which are published in the Sentinel, are the most pleasing letters of travel that we have ever read. He has been traveling in Europe and Asia, and his letters are charming.—*Madison Argus.*

Mr. FRENCH has just returned from Europe and will, we hope, gratify a desire very generally expressed, by publishing his admirable letters in book form. We have one or two yet on hand, for which we shall endeavor to find room within the next few days.

### The Result in Illinois.

The Chicago papers of yesterday concur in the statement that Buchanan has carried Illinois by about 6000 majority, while Col. BISSELL, Republican, is elected Governor by 7000 majority, over RICHARDSON, the seconder of the Kansas-Nebraska Iniquity. In the Legislature, the Democrats have a small majority.

SUSPENDED.—The Fond du Lac *Commonwealth* and Fond du Lac *Union*, heretofore issued Daily, have both suspended until spring. Reason—their Daily edition did not pay expenses. Both papers will be published weekly until further notice.

### The Elective Franchise—A Registry Law.

The enormous vote polled in this city at the recent election—exceeding by fifty per cent any previously cast here—and the unprecedented majority obtained by the so-called democratic party, have led to the very general belief that gross frauds were perpetrated in several of the Wards, and induced the conviction that some additional guards are necessary to protect the purity of the ballot-box. So far as the Rural Districts of the State are concerned, it seems to be conceded that the vote was, as usual, a fair one; although there, too, the increase has been very large. Indeed, the opportunities for fraud in the country towns are not many, and the probabilities of detection great. The voters, generally, are well acquainted with each other, and the appearance of any *strange* faces at the polls would attract immediate notice, and, if they attempted to vote, lead to a prompt inquiry into their qualifications. For the country, therefore, no additional guards seem to be *needed*, or expected.

In the larger villages and cities, however, where there is always more or less of a floating population, and where the resident population is rapidly increasing, it is by no means so easy to ascertain beforehand who are legally qualified voters, or to detect and prevent all attempts at fraudulent voting. We hear from Janesville, Portage City, Manitowoc, Watertown and other points, substantially the same complaints that are made of our Milwaukee vote—that it was swelled several hundred by means of imported and fraudulent votes. We believe that there is good foundation for these *complaints*, though we do not believe that as many illegal votes were cast in this *city* as *some suppose*. We think that the actual legal vote of the city is about *seven thousand, and that it was fully polled* at the recent election. This would leave about *500* votes, mainly cast by men who had no actual residence in the city, or had not been in the State a year, or lacked some other Constitutional qualification. There were, too, a few cases of attempted, and some of actual *double voting.*—But the polls were too closely watched by the Republican challengers, to allow this game to succeed, to any great extent.

In view, however, of the conceded fact that frauds were perpetrated in this city, at the late election, and that there are no effectual means of preventing them, some of our contemporaries have suggested a *Registry Law* as the proper and sufficient remedy for the evil complained of. We have great doubts whether such a law would answer the purpose expected, or whether the Legislature is competent to pass one. The Constitution of our State prescribes the following as the qualifications for electors: 1st, Citizenship, or declaration of intentions; 2d, one year's residence in this State; 3d, actual residence in the town or ward where the vote is offered. The Legislature cannot add to, or take away from, these qualifications. Whoever is possessed of them is entitled to vote in this State, and no act of the Legislature can deprive him of that right. A Registry Law which should require every voter to be enrolled, a specified time before any election, in order to vote thereat, would, in our judgment, superadd a qualification which the Constitution does not recognize, or require.—Aside from this Constitutional objection, we do not believe that such a law would be efficient.—It did not prevent frauds in Philadelphia at the recent election. Indeed, it rather seemed to furnish facilities for their commission. Lastly, we question the policy of such an enactment. It would expose the Republican party to the reproach of fettering the elective franchise, and supply the unscrupulous demagogues of the Sham-Democracy with another partisan cat-call.

Upon the several grounds then, that a Registry Law is of doubtful constitutionality, efficiency and expediency, we are opposed to its enactment. Nor is such a measure essential to our political success. The popular pulse in this State beats true to FREEDOM, and so long as the Republican party stands fast in the *faith, adheres* to its noble platform and maintains the ancient landmarks set up by our Republican *forefathers*, it can safely defy all the efforts of the Sham Democracy to overthrow it. In the recent contest the aims and policy of the Republicans have been studiously, *wilfully and perseveringly* misrepresented by their opponents, and thousands of *honest, but ignorant*, or ill informed voters have been deterred from acting with us by lying charges industriously circulated by the crafty priests of the Slavery propaganda.

We have now the opportunity to turn the table upon these false witnesses and to prove our faith by our works. Let us resolve to do so, and to show to the People of Wisconsin that the Republican party, not in word only but in deed, are in favor of an honest and economical administration of the government; in favor of free speech, free press, free soil and free labor; in favor of Harbor Improvements and the Pacific Rail Road; opposed to all piratical schemes for the acquisition of foreign territory; opposed to all proscription on account of birth, or religion; and opposed to the extension of Slavery over another inch of the Free Territories of the Republican. Let us do this, and we shall need no Registry Law, nor other unusual enactment, to ensure triumphant popular majorities, at every contest in this State, for Right, Justice and Freedom.

A NEW DEMOCRATIC PAPER IN MILWAUKEE.—The Madison *Patriot* of yesterday brings us the following item of political intelligence:

We are happy to learn that arrangements have been pretty much completed, for a new Democratic paper to make its appearance in the commercial metropolis, early in the month of January. It is the intention of the proprietors to have it second to no paper in the State as a commercial and newspaper. The principal editor has been connected with the democratic press of Pennsylvania for the past ten years, and is noted as one of the most able, forcible and graceful writers in that commonwealth. The purpose of the new paper, we understand, will be to sustain Democratic principles and the Administration of James Buchanan in this State; and as it will be owned and controlled by the ostensible publishers, and not by any Rail Road Company, Land Grant proprietors, School Land operators, Supplemental-return manufacturers, or '48 and '52 Abolitionists, the democracy may depend upon its being a reliable and independent party paper, and one that will do its work towards redeeming this State, and making it take its stand again among the Democratic States of the Confederacy.

### Nine Persons Burned.

BINGHAMPTON, Nov. 11.

### FROM OUR WASHINGTON CORRESPONDENT.

NEW YORK, Nov. 6, 1856.

All Hail, Glorious Wisconsin! The Empire State sends greeting to the youngest daughter of the immortal ordinance of '87—greeting warm and joyful, for the good fight so nobly fought, and so all but won! Full of encouragement for the present, and of hope for the future, the party of Freedom will stand by its arms, will relax no effort, nay, will redouble all energies for the consummation of that sure triumph hereafter, which, but for traitorous Fillmoreism, with its base, corrupt, selfish and lying wire-pullers, had been now within our reach.

NEW YORK, with her *Fifty Thousand* Fremont plurality, with her Governor and whole State ticket, both branches of the Legislature, and a large majority of her Congressional Delegation, Republican to the core, is purged—for ever, it is to be hoped—from the stain of Fillmore Know-Nothingism; and consigns to that obscurity which they have so richly earned the arch traitors in the basest conspiracy against the cause of Liberty since the days of Benedict Arnold.—Millard Fillmore, Washington Hunt, Francis Granger, recreant apostates from the noble old anti-Slavery Whig party of the North, have met the fate their treason merited, and with them sinks, too, that would be pretender to the Gubernatorial chair of the State, Erastus Brooks, of the lying *Express*.

For these results, at least—as for the defeat of Douglas in his State, and Cass in noble Michigan—there is special cause for thanksgiving, and had but Indiana proved true, our victory might have been complete.

Michigan, Iowa and Wisconsin, with ever reliable Ohio, New York and glorious New England in one united front—what an array of the intelligence, the prosperity, the principle, the civilization of the country, against the corruption, the selfishness, the tyranny and the brutality so eminently characteristic of the party which, by means of unexampled fraud and infamous violence, has but just escaped the righteous retribution yet in store for it.

Nobly, nobly, have you fought the fight in Wisconsin, which has in the only manner possible, improved even upon her present excellent delegation in Congress, by placing side by side with those tried and trusty friends of Freedom, C. C. WASHBURNE and CHAS. BILLINGHURST, another true Republican from your only misrepresented district, in which Mr. WELLS so wisely shrunk from entering upon the contest. Wisconsin has thus shown that she appreciates the fidelity and capabilities of her Representatives, as well that she is alive to her own interests, in returning to Congress men who have the advantage of experience in the councils of the country; an advantage far too lightly estimated, except among the southern States, which have always pursued the policy of making as few changes as possible, in their Congressional delegations. And then, too, side by side with Mr. CHARLES DURKEE, the next U. S. Senate will see in the place of your old Governor, Dodge, another accession to that steadily increasing band which, small at the beginning, is growing "large by degrees and beautifully larger," and is destined to embrace more and more of the friends of the good cause, in the places of those eminent doughfaces, Toucey, James, Cass, and—if he keep to his pledge of resigning should Illinois not sustain him in the past contest—Stephen Arnold Douglass!

New York will add a well-tried veteran to the ranks, while Massachusetts will send back, with all but unanimous voice, her eloquent and fearless apostle of Freedom, CHARLES SUMNER.—Alas, alas, that New Jersey, Pennsylvania, and Indiana could not also have redeemed themselves now in like manner, instead of inflicting upon the friends of Freedom that "hope *deferred* which maketh the heart sick." Thompson, Brodhead, Bright, what a gain their *loss* would have been! Let the future see that no like opportunity be again thrown away—and for the present, friends of Freedom, everywhere stand by your organizations, *for the sure triumph of Eighteen Hundred and Sixty!*

REX.

### The Newfoundland Telegraph.

NEW YORK, Nov. 9.

We understand that the New York and Newfoundland telegraph line will be opened through to St. John to-morrow, congratulatory messages between the company here and Gov. Dudley of Newfoundland, having passed over the wires yesterday. The line from New York to Newfoundland is one thousand, seven hundred and fifteen miles in length, eighty-five miles of which, from Aspe Bay to Newfoundland, across the Gulf of St. Lawrence, is submarine.

The land line through Newfoundland is 405 miles in length, built for the most part through a wilderness, and has cost the company, including the expense of a cable about half a million dollars.

We are informed by our Liverpool correspondent, that the long contemplated trans-atlantic Telegraph Company has actually been formed in London, under the auspices of Sir John Brett, who has had the superintendance of all the great submarine telegraph enterprises in Europe, and one-half of the required capital to complete the line from Newfoundland to Ireland was immediately taken up and no difficulty whatever was anticipated in obtaining the balance.

Contracts looking to the certain completion of the line across the Atlantic next summer, were being negotiated with one of the London Submarine Telegraph Companies, and no doubt was entertained when the Canada sailed, but that the manufacture of the trans-Atlantic cable would be commenced on the 1st of November, and that it would be successfully submerged between Newfoundland and Ireland during the month of July, 1857.

JUDGE JENKINS RESIGNED.—We learn that Judge JENKINS has resigned his office of County Judge and Judge of Probate for Milwaukee county, proposing to go into business that will pay him better. The vacancy is to be filled by the Governor.

Fremont's majority 855. Potter's 909.

Fillmore had 1 vote in Delafield, 3 in Oconomowoc, and 5 in Waukesha.

Geo. Cairncross, James M. Lewis, Thomas Sugden, E. Enos, Jr., and C. S. Hawley, all Republicans, elected to the Assembly. The whole Republican ticket elected by majorities ranging from 500 to 850.

PIERCE CO.; ST. CROIX CO.—The Prescott *Transcript* brings us the vote in Pierce Co. The total vote, except the town of Isabel, which will be about 25 rep. maj. is 506. In this number the Republican majorities are as follows:

| | |
|---|---|
| Fremont | 301 |
| Washburn | 310 |
| Wm. Wilson for State Senate, | 273 |
| O. T. Maxson, for Assembly | 245 |

The same paper gives us the Republican majorities in St. Croix Co. complete, as follows:

| | |
|---|---|
| Fremont, | 187 |
| Washburn, | 185 |
| H. L. Humphrey, for Senate, | 186 |
| Geo. Strong, Assembly | 200 |

The *Transcript* adds:

Mr. Humphrey brings the vote of Polk county: we have not the details, but it shows that Pierce county, allowing Isabel 25 votes for us, ties St. Croix and Polk on the Senatorial vote, and leaves Mr. Wilson 107 ahead of Mr. McNally—Mr. Humphrey being now "out of the ring." Mr. Wilson, Republican, is therefore undoubtedly elected.

FOND DU LAC CO. OFFICIAL.—Fond du Lac Co. gives Fremont 782 majority, and Billinghurst, Rep. for Congress, 726 majority.

BROWN COUNTY.—Buchanan's majority in Brown Co. is 477.

KEWAUNEE CO.—The Green Bay *Advocate* says the vote at Kewaunee stood 70 Democratic to 24 for the Republicans.

WAUKESHA FREMONT CLUB.—The Fremont Club of Waukesha, which has done noble service during the campaign, met night before last, and nominated JOHN C. FREMONT for the Presidency in 1860, and then adjourned for 3 years and six months.

ROCK CO. OFFICIAL.—Rock Co. gives Fremont 4707, Buchanan 1964, Fremont's majority 2743; Washburn 4717, Crawford 1955, majority for Washburn 2762.

DUNN CO.—North Pepin gives Fremont a majority.

The Madison *Argus* claims MCNALLY, dem., elected in the Northwest district to the Senate, but the returns so far do not indicate it.

EAU CLAIRE CO.—Eau Claire county gives Fremont 94, Buchanan 56.

WISCONSIN & LAKE SUPERIOR R. R. CO.—The books for subscription to the stock of this road were opened on the 6th inst, and remained open until yesterday at 4 P. M. at which time over $170,000 had been subscribed. Messrs. Weld, Doty, Scott, Kuehn, Hiller, Gill, Haertel, White and Wright, of the old Board of Directors resigned, and Messrs. W. B. Ogden, N. K. Wheeler, Henry Smith, and John P. Chapin, of Chicago; J. J. R. Pease and J. B. Crosby, of Janesville; Rufus Cheney Jr. of Whitewater, and Charles Butler and J. W. Hickok, of New York, were elected in their place. Most of these gentlemen are well known at home and abroad, and their reputation as capitalists and business men is a strong guarantee that the interests of the project will not suffer by the change.

The Hon. Wm. B. Ogden of Chicago was elected President of the Company, vice J. H. Weed, resigned. A better selection could not have been made.—*Fond du Lac Union, (dem.)*

### Kenosha Co.

The following is the Official of Kenosha county:

Potter fifteen hundred and eight. Hadley eight hundred and thirty-four. Fremont fifteen hundred and eight. Buchanan eight hundred and thirty one.

### Wisconsin and Superior Railroad.

The Board of Directors of the Wisconsin and Superior Railroad Company, assembled in this city on Thursday last. We are informed that their deliberations have resulted in an arrangement by which Messrs. Weed, Wright, Lamberson, Hiller, White, Haertel, Kuehn and Scott have resigned, and Messrs. W. B. Ogden, John P. Chapin of Chicago, Charles Butler of New York, N. K. Wheeler, John J. R. Pease and J. B. Crosby of Janesville, Henry Smith of Chicago, and Rufus Cheney of Whitewater have been chosen to fill the vacancies. The board elected W. B. Ogden, President of the Company, in place of Mr. Weed.

An effort will be made at the next session of the Legislature to procure the passage of an act, consolidating this Company with the Chicago, St. Paul and Fond du Lac Company. Our railroad interests are now, substantially, in the hands of the latter company. It has been determined by our Common Council to issue it, under certain restrictions, the bonds of the city to the amount of $150,000, as voted by the property holders last spring. This aid, together with the lands granted to the W. & S. Co., ought to insure the completion of the road from Fond du Lac to this place by the first of July next, and it is stated that assurances have been given that we may depend upon its being finished by that time.

The Board of Directors as now constituted is as follows:

Anson Ballard, Appleton.
Levi Bashford, Oshkosh.
John Bradley, Janesville.
Jas. B. Crosby, do
J. J. R. Pease, do
Chas. Butler, New York.
John P. Chapin, Chicago.

Rufus Cheney, Whitewater.
J. D. Doty, Milwaukee.

### MARINE INTELLIGENCE.

### Loss of the Barque John V. Ayer.

Mr. Ayer, of Kenosha, owner of the fine new barque *J. V. Ayer*, bound down from Chicago with a cargo of wheat, telegraphs to J A. Helfenstein, of this city, that the desk and trunks of the Captain of the *Ayer*, with her clearance came ashore at St. Joseph on Monday last—also the top of her cabin. Mr. H. thinks the St. Joseph mentioned is in the Straits. The vessel and cargo were insured in Chicago.

☞ The Toronto *Globe* gives the following particulars of the loss of the brig Ellen Gilmour, near Long Point Cut: "The schooner Wave, which was lying at Port Rowan, immediately on the grounding of the Ellen Gilmour being perceived, got under way and went to her assistance. Capt Angium fortunately succeeded in *bringing* five of the crew safely ashore, before the vessel went to pieces. The names of the drowned are Edward J. Brown, Captain; Edward Brown, the Captain's son; Felix Debit, seaman, and William McRay, Seaman. The names of the saved are Joseph Gruett, *mate*; Patrick Comerton, steward; Patrick Hurley, Matthew Doyle, and Joseph Rinsing, seamen.

From the Buffalo Commercial, Monday.

☞ The propeller Wisconsin, Capt Hickey, of the Northern Transportation Co. Line, from Ogdensburg for Chicago, with a full load of merchandize and 60 passengers, burst her steam chimney yesterday when off Grand River, Canada, scalding one deck hand so he cannot survive. The Wisconsin was towed back to Port Colbourne by a propeller. Capt. Hickey came down here and procured tug R. L. Howard to go up and tow her down to this port for repairs, which can be made in a few days, when she can proceed on her voyage. He has made arrangements to forward his passengers on the propeller Tonawanda.

☞ The following is an extract from a letter to Capt. D. Dobbins Secretary Board Lake Underwriters, dated,

PORT MAITLAND, Mouth of Grand River, C. W., November 8th, 1856.

During the south-west gale of this morning, and the consequent rise of the water eight of the vessels ashore in the river have been got afloat, namely, the Ayr, Ocean, Empire State, Miranda, Hamilton, Velocity, Margaret and Lively, without material injury to any of them—most of these vessels had to be lightened. The George Davis remains sunk nearly to her deck in the canal. The Middlesex makes but little water, although during the gale she pounded heavily, and will *soon* be lightened off. The Huntress and Louisa have several feet of water in them. These will have to be discharged, and probably a steam pump will be required for the Huntress.

By a report from Long Point I learn that the Cherokee was last seen about fifteen miles eastward of that place, on the evening of the 4th, and no doubt is entertained but that she has sunk. The tug R. Howard, who went out on the 5th to look for the Cherokee, brought this report.—The steamer seen by the Vermont above Long Point in a disabled condition was doubtless the Mohawk. The storm struck her when off the Sand Hills near Port Burwell, she lost her smoke pipe and upper cabin, but succeeded in getting into Port Dover, where she now lies. The steamer's cabin seen floating by the *Oriental*, was *in all probability* that of the Mohawk. The tug R. Howard has done us good service here this day. I will continue my endeavors to relieve the remaining vessels as fast as possible

ROBERT THOMAS,
Marine Inspector of Board of Underwriters.

☞ The steamer *Michigan*, bound hence to *Erie*, was obliged to put back during the gale on Saturday, and arrived here in the afternoon.

☞ The propeller Tonawanda left this port on Friday evening for Chicago. When nearly off Erie, the gale came on, one of her engines broke, and she was obliged to *return*. It will take her two or three days to repair.

BRIG MINNESOTA.—The brig Minnesota ashore near Forestville, Lake Huron, loaded with grain, and full of water, was pumped out *by one of the Mutual Insurance Company's* steam pumps, towed to Detroit, with part of the grain on board her, and is now in dry dock undergoing repairs.

The shipments of wheat by lake to-day amount to 159,675 bushels, but the amount of sales of grain of all kinds, has been limited. Scrofula and Salt Rheum

Of four years standing, cured by Carter's Spanish Mixture.

WOOSTER, Wayne Co., Ohio, Dec 1, 1853.

MESSRS. BENNETT & BEERS

Gentlemen:—Having for four years past been suffering with Scrofula in its worst form, without finding relief from our best physicians, I was solicited by a friend to try Carter's Spanish Mixture. It gives me pleasure to state that before finishing the first bottle, the disease relaxed. I then ordered two more bottles, and with heartfelt gratitude, I state to you the fact that two bottles of your excellent preparation has entirely cured me.

The third bottle I gave to a friend who had been suffering with Salt Rheum for a length of time, and he, like myself, owes his restoration to health to the virtues of "Carter's Spanish Mixture." You are at liberty to use this letter in any way you may think proper, if it will benefit the afflicted.

Your obedient servant,
nov13d1m JOSEPH ROBINSON.

Pronounced Incurable by his Physicians—Yet Cured by Hoofland's German Bitters.

CENTRAL BRIDGE, Schoharie Co., N. Y., Feb. 12, 1855.

Dr. C. M. Jackson—Dear Sir—A gentleman by the name of Larkin, living in this place, who has been under the doctor's charge, and confined to the house for two years past with Liver Complaint, which last fall turned into Dropsy, and was pronounced beyond cure by the principal Physicians of the place, and his friends expected him to die daily, is now, after taking five bottles of the *German Bitters*, out doing errands and attending to his daily business. The Bitters are, consequently, in great demand.

Respectfully,
JOHN G. CARRYL.

Pulmonary Consumption, Asthma and Chronic Bronchitis,

In the treatment of which, the employment of

SALEM, N. J., Feb. 24, 1855.

Dr. C. M. Jackson—Dear Sir—I take great pleasure in sending you these few lines, recommending to all afflicted with that terrible disease, *Dyspepsia*, the valuable properties of *Hoofland's German Bitters*. For a long time I was sorely afflicted with that disease, and in expectation of obtaining some relief, used a great many preparations highly recommended for that purpose, but all in vain.—Being advised to try the German Bitters, I reluctantly purchased a bottle. I felt so much relieved by the use of it, that I obtained more of it, and now, after taking five bottles, I feel and consider myself a healthier man than I have for the last ten years.

Yours, respectfully, ANDREW YOURSON.

Chills and Fever.

TO THOSE who are afflicted with this disagreeable and baffling malady, we would state, that after years of hitherto unavailing research, a medicine has been discovered which will, in every case, effect a certain and permanent cure of this dreaded disease. It is not a quack nostrum prepared to extract money from sufferers, for the proprietor offers to refund the money if a cure is not effected after following the directions. He is assured by the evidence of hundreds of cures which they have effected, that this medicine is in reality the remedy so long desired in the Western country. This valuable medicine is prepared in the form of a pill, from the bark of a shrub, which has proved to be a perfect antidote to Malaria. They are simple and plain in their nature, powerful and active in their operation, and perfectly harmless to the system, having no other than a specific effect upon the disease which is truly wonderful. Some persons have stated that these pills must contain arsenic, or some powerful mineral, owing to their quick effect in curing this disease. The proprietor would state that he will pay one thousand dollars to any chemist who will find one particle of mineral in this composition.

Certificates of cure from persons of the highest respectability can be obtained by calling at the Drug Store of HENRY FESS, JR., No. 195 East Water street.

N. B. One great recommendation for these pills are, that they only require about five to effect a cure. Enquire for THAYER'S OMEGA PILL, for the immediate cure of chills and fever or intermittent fevers of every description. Prepared and sold wholesale and retail by FRED. W. THAYER, 697 Washington street, Boston.

## GREAT SALE OF LOTS

IN THE CITY OF

PORTAGE,

On the 18th day of December, 1856

THE principal real estate owners in the city of Portage, have made arrangements for a general sale of Lots in said city, at the time above named. Over one thousand lots will be offered, situated in all parts of the city. A liberal credit will be given for a part of the purchase money, if desired.

It is believed that the great advantages of this point are understood among the business men of the State.—The La Crosse Railroad is now running to within 20 miles of here and will be completed to this city early in January next. The land grant disposed of by the last Legislature secures the completion of a railroad from Madison and at other from Columbus to this city, within two years and from thence through the Northwestern part of the State to Lake St. Croix and Lake Superior. Doubtless the able and energetic company who have this work in charge will push it forward to completion with all possible despatch. The long delayed Fox and Wisconsin River Improvement is now certain of being completed immediately, making a perfect navigation for vessels drawing 3½ feet of water, from Lake Michigan to the Wisconsin River, through the canal at this place. The act of the last Legislature takes good security for this. The commercial advantages and prospects of Portage are unequalled by *any town in the interior of the State*, and it has no rival. The site is high, healthy and pleasant and surrounded by beautiful scenery. The city has grown rapidly, with a healthy and natural growth, and it will soon receive a new and powerful impetus. Real estate is still comparatively low. There never has been any attempt to inflate prices or speculate in fictitious values.

An opportunity is now offered to obtain property here on the most favorable terms. Let no enterprising man disregard it.

### WILDER'S SALAMANDER SAFES.

MR. S C HERRING challenges Wilder & Co to show any medals received at the World's Fair. Messrs Wilder & Co do not claim to have received any medals at the World's Fair—but do claim that Mr S C Herring made a very handsome, good Safe, and like a sensible man, filled it with "Wilder's" Patent Filling, as he then had a right to do. The medals were given for that Safe, and, as its principal virtue is the preventative against fire, the medal is due to the filling.

The merchants who signed the certificates undoubtedly knew what they were about. They had excellent good Safes made by Silas C Herring, and filled with WILDER'S PATENT SALAMANDER FILLING, and those Safes were worthy of the certificates. The only Safes filled with *Wilder's Patent Salamander Filling* are now made by Wilder & Co, and for sale in this city ONLY by

## HOLLAND BITTERS!

BOERHAVE'S
HOLLAND BITTERS,
THE CELEBRATED HOLLAND REMEDY FOR
*DYSPEPSIA,*
DISEASE OF THE KIDNEYS
LIVER COMPLAINT
WEAKNESS OF ANY KIND,
*FEVER AND AGUE,*
And the various affections consequent upon a disordered
STOMACH OR LIVER,

Such as Indigestion, Acidity of the Stomach, Colicky Pains, Heartburn, Loss of Appetite, Despondency, Costiveness, Blind and Bleeding Piles. In all Nervous, Rheumatic and Neuralgic Affections it has in many instances proved highly beneficial, and in others effected a decided cure.

This is a purely vegetable compound prepared on the strictly scientific principles, after the manner of the celebrated Holland Professor, Boerhave. Because of its great success in most of the European States, its introduction into the United States was intended more especially for those of our fatherland scattered here and there over the face of this mighty country. Meeting with great success among them, I now offer it to the American public, knowing that its truly wonderful medicinal virtues must be acknowledged.

It is particularly recommended to those persons whose constitutions may have been impaired by the continuous use of ardent spirits, or other forms of dissipation. Generally instantaneous in effect, it finds its way to the seat of life thrilling and quickening every nerve, raising up the drooping spirit and in fact infusing new health and vigor in the system.

NOTICE.—Whoever expects to find in this a beverage will be disappointed, but to the sick, weak and low spirited, it will prove a grateful aromatic cordial possessed of singular remedial properties.

CAUTION!

The great popularity of this delightful Aroma has induced many imitations, which the public should guard against purchasing. Be not persuaded to buy anything else until you have given BOERHAVE'S HOLLAND BITTERS a fair trial. One bottle will convince you how infinitely superior it is to all these imitations.
